Accept Credit & Debit Cards with Optional Readers.

Accept All Currency Preferences

Never miss a sale because your machine didn't accept what your customer had in their pocket. Our equipment comes standard with premium electronic dollar bill and coin acceptors and can be equipped with credit & debit card readers.

Flexible Product Capability

Why limit your profit potential with a machine that can't adjust to the products most demanded by your customers. Our equipment comes standard with adjustable snack and drink selections that let you configure the machine on site to meet ever changing product packaging.

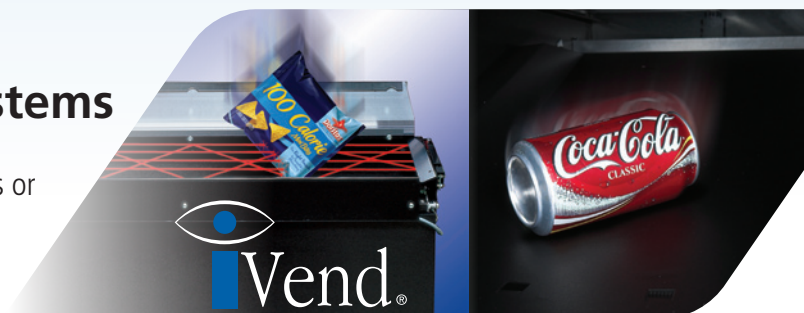

Features That Make a Difference

Most models equipped with customer friendly controls like large selection buttons with Braille identification and bright energy efficient LED lighting that showcases your products.

Guaranteed Delivery Sensor Systems

Merchandisers come with state of the art guaranteed delivery sensor systems ensuring your customers receive their products or their money back. ** Excludes 12 Select snack model.*

ADA Delivery Box Option

Snack and food vending machines can be optioned with delivery box options that deliver products at the new American's With Disabilities Act mandated 15" height from the floor.

Optional on ADA Ready models. Ask for details.

Premium Warranty

Vending machines are warranted to the original purchaser for indoor use under the following provisions: Vendnet, eVending.com's warranty and service administrator, will replace or repair any part covered by the warranty which fails due to a defect in material or workmanship for one year.*

- **1-Year Equipment Warranty with Extended Option***
- **5-Year Pro-Rated Refrigeration Warranty***
- **Lifetime Toll Free Technical Support**

*Contact eVending.com for full details on warranty coverage.

***Should you require on-site support,
our network service centers are there to assist you.***
